

Skagit Regional Health (SRH) supports community projects and events that align with our mission, vision, and goals. The sponsorship committee will consider projects and events that focus on directly improving the health and wellness of our community; are within the SRH service area; provide opportunities to promote visibility of SRH services and/or brand; and are submitted by a non-profit organization.

Please submit this application, a letter of introduction explaining your organization's mission, the goal of your event or project, and how your event/project goal aligns with the mission of Skagit Regional Health. Please include proof of current non-profit status. Request materials must be received at least six months before the project/event date.
