

Paperless Billing Opt Out Tipsheet

Skagit Regional Health is committed to providing timely, secure and cost effective communication. To support these efforts, all MyChart users are auto enrolled in paperless billing. This means your Skagit Regional Health bills are easily viewable right in MyChart.

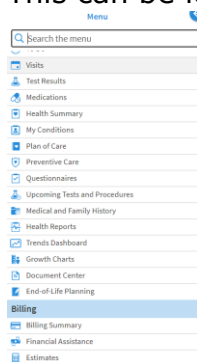

You can view your monthly statement on the MyChart website under the Billing tab by selecting Billing Account Summary and then View last statement. On the MyChart mobile app, statements are found under the Billing tile. You may opt out of paperless billing to receive printed and mailed statements at any time.

Assistance with Paperless Billing:

- How to identify if you are enrolled in paperless billing within Mychart.

This can be located on the Billing Summary Screen, under the main menu.

- If you would like to un-enroll in paperless billing, there is a hyperlink to disable and return to paper bills.

If you would like to receive paper statements, you may [cancel paperless billing](#).

After clicking, a secondary confirmation page will appear to finalize the request.
