Confirm: The Endoscopy Department will call you 1-2 business days before your procedure with the "official check-in time." Changes to the schedule are not uncommon. A message will be left on your answering system if you are not available. If you have not heard from anyone by 2:30 p.m. the day before, please call 360-428-2410.

Check in: Enter from the Kincaid entrance at Skagit Valley Hospital (1415 E. Kincaid, Mount Vernon) and use the B Elevator.

You will receive a phone call confirming your check-in time prior to your procedure date.

Parking: Patient parking is available in the Eagle and Hummingbird Parking Lots. See map on reverse.

Procedure Instructions and Procedure Day Requirements:

Due to medication—your procedure requires you have a driver to take you home.

- **Check in with your driver present.** He/she must also be present at time of discharge or your procedure will be canceled and rescheduled if you do not have a confirmed driver.
- Taxis and bus systems are not acceptable, unless accompanied by a "responsible adult."
- Manometry and 24-hour pH procedures usually do not require sedation so you may drive yourself to and from the hospital if you prefer.

For colon exams it is important that your bowels be cleaned out for the examination to be successful. Preparation begins several days prior to your procedure. Please follow the instructions in your packet carefully.

Morning of Procedure Checklist:

- Endoscopy Boarding Pass (this document)
- Insurance Card
- Photo ID
- Medication List
- Driver

**Please leave valuables at home.
